Inspections of Exhibits

- a. The association and its representatives have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited animals. "Said authority shall extend to and cover the enforcement of all Show rules as adopted by the UBB."
- b. Each exhibitor shall submit his registered Braford cattle to such tests and examinations as requested and/or required by the association, its authorized representatives, or the authorized representatives of the relevant show. These tests and examinations shall include but are not limited to any weighing, measuring, or ultrasound evaluation of the animals as required by the UBB's Show Committee.
- c. For and in consideration of the opportunity to participate in any Braford function, exhibitor hereby releases the Association, its officers, directors, and representatives from negligence, any and all claims, suits and judgments past, present or future, arising from or connected with the administration or use of such test or examination and the resulting decisions therefrom.
- d. Dental inspection: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by the UBB in order to determine whether dental development is within allowable limits for the class so entered. If the veterinarian determines that in his opinion dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the Show Committee. If it is not possible to move an animal, the animal may not be exhibited in such Show.
- e. Any exhibitor desiring to dispute or challenge the results of any such test, exam or show rule enforcement, as applied to his animal, shall do so in accordance with procedures established by the rules of the association.
- f. Appeal: An appeal from the decision of the veterinarian or designated association representatives designated by the UBB under sections 1 and 4 of the Inspection of Exhibits may be made to the Show Committee of the UBB if the following written appeal with the UBB Show Committee as soon as possible after the veterinarian's or designated association representative's decision was made. If an appeal satisfying the foregoing requirements is filed with the UBB Show Committee, the Committee shall hold a hearing at which the appealing party and the veterinarian or designated association representatives whose decision is being appealed shall present statements and other evidence that are relevant to the matter, following which the Show Committee shall render a decision which shall be final and conclusive.
